EXAMINER'S AMENDMENT

Claims 1-5, 7-8, 10-16 and 18-21 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest the claimed invention. Specifically, the prior art of record fails to teach or suggest an abstract routine generator and a translator within an image processing program, as recited in independent claims.

The prior art of record, **Lewis** et al. (USPN 5,590,331), disclosed an abstract code object being transmitted. However, **Lewis** failed to disclose the independent claims as recited, including an image processing program having an abstract routine generator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
